Experience the Superb Outdoors

Heat Up Your Nightlife With a *Superb* Outdoor Chimenēa

A Superb outdoor Chimenēa will quickly become the focal point of any porch, deck or patio. And the warmth it provides will help extend your outdoor season from early spring to late fall.

The outdoor Chimenēa combines a rugged cast aluminum body, cast iron burner, and realistic permanent cast iron gas log set. Adding function to beauty, the Chimenēa comes standard with a piezo igniter for matchless startups, and a manual control to adjust heat output from 27,000 to 32,000 Btu/LP. A safety screen and removable lid help keep out leaves and debris.

Our outdoor Chimenēa features an intricate grape-leaf pattern protected by a heat-resistant, antiqued paint finish — in Antique Green (shown on cover) or Terra Cotta Red (shown at right).

Popular options include a natural gas conversion kit for permanent installations and a cover to fit a 20 lb. propane tank.

Warm Up Your Home Décor With a *Superb* Indoor Chimenēa

Superb's vent-free indoor Chimenēa* features a rugged cast iron body and 16-inch Slope Glaze Burner to radiate heat throughout the room. The charred oak log set and 16-inch Slope Glaze Burner produce tall dancing flames with glowing embers for a lively, natural looking fire.

Available for natural gas or LP, the indoor Chimenēa generates 20,000 Btu of comfort. The indoor model features an integral oxygen depletion sensor and millivolt-controls. Choose the optional wall-mounted thermostat, standard remote control, or remote control with built-in thermostat.

The indoor Chimenēa also features a grape-leaf design casting protected by heat-resistant, antiqued paint finishes in Antique Green or Terra Cotta Red.

** CSA certified for indoor use only.*

A Superb History

For more than three-quarters of a century, we have created high-quality heating products designed to last a lifetime. We take great pride in the realism of our logs, the efficiency of our burners, and superior technology we build into all our

products. This Chimenēa Collection continues that tradition. We're confident our indoor or outdoor Chimenēa will become a Superb addition to your home.

Indoor Chimenēa in Antique Green
